"Becoming a Catalyst" is a 5-6 week small group program that prepares participants to be catalysts for racial justice, healing, and reconciliation in our diocese and world. In 2020, two cohorts will be offered in Spring (Jan-March) and in Fall (Sept-Nov). Graduates of the program are invited to participate in monthly "Catalyst Gatherings," where all Catalyst cohorts join for continuing education, community building, and action-planning. Join a cohort by emailing eccleston.sara@gmail.com.
Are you interested in engaging your church in racial healing, justice, and reconciliation? We can connect you to a variety of resources to foster dialogue, learning, and action in your local community.

**BOOK GROUPS**
We have book group guides for *White Fragility* by Robin DiAngelo; *Dying of Whiteness* by Jonathan Metzl; *Jesus and the Disinherited*, by Howard Thurman; and *Way of Love* materials from the national Church. We can also help you develop reading guides for specific books of interest.

**SACRED GROUND DIALOGUES**
We can help you facilitate a brand new 10-part film-based dialogue series on race and faith, developed by the national Church.

**MOVIE + DISCUSSION**
We can help you organize a viewing and discussion of a variety of movies and documentaries, including *Traces of the Trade, Race: The Power of an Illusion, 13th*, and *Selma.*

**LITURGICAL RESOURCES**
We can connect you to racial reconciliation-focused resources for seasons of Advent and Lent, developed by the national Church.
